

TEXAS HEALTH STEPS ONLINE PROVIDER EDUCATION *Free Continuing Education*

The Texas Department of State Health Services and the Texas Health and Human Services Commission have collaborated to develop a free, online education program designed to educate health care providers about Texas Health Steps (Medicaid for children) and other health care services. The comprehensive program offers free continuing education credits, and its courses are accredited by the Texas Medical Association, the American Nurses Credentialing Center, the National Commission for Health Education Credentialing, the Texas State Board of Social Work Examiners, the Accreditation Council of Pharmacy Education, and UTHSCSA Dental School, Office of Continuing Dental Education.
