

**CURRICULUM VITAE**  
**The Johns Hopkins University School of Medicine**

---

**Paul H. Lipkin, M.D.**

---

**Date**

**DEMOGRAPHIC AND PERSONAL INFORMATION**

**Current Appointments:**

Associate Professor of Pediatrics  
The Johns Hopkins University School of Medicine

Attending Physician, Neurology and Developmental Medicine  
The Kennedy Krieger Institute

Active Full Time Staff  
Department of Pediatrics  
Johns Hopkins Hospital

Consultant Staff  
Department of Pediatrics  
St. Agnes Healthcare

**Personal Data:**

*Business Address:*

Division of Neurology and Developmental Medicine  
The Kennedy Krieger Institute  
707 North Broadway  
Baltimore, MD 21205

Phone: (443) 923-3265  
Fax: (443) 923-3255  
e-mail: lipkin@kennedykrieger.org

**Education and Training:**

Undergraduate:

A.B., 1975 Rutgers, The State University, New Brunswick, New Jersey; Biological Sciences

Doctoral:

M.D., 1981 New Jersey Medical School, University of Medicine and Dentistry of New Jersey,  
Newark, New Jersey; Medicine

Postdoctoral:

Intern and Resident, Pediatrics, 1981-1984, Sinai Hospital, Baltimore, Maryland

Paul H. Lipkin, M.D.

Chief Resident, Pediatrics, 1983-1984, Sinai Hospital, Baltimore, Maryland

Fellowship, Developmental Pediatrics, 1984-1986, The Kennedy Institute for Handicapped Children, Johns Hopkins University School of Medicine, Baltimore, Maryland

Participant, 1986, Intensive Bioethics Course, Kennedy Institute of Ethics, Georgetown University, Washington, D.C.

### **Professional Experience:**

1986-1989 Assistant Professor of Pediatrics  
State University of New York at Stony Brook School of Medicine

1986-1995 Associate Attending Physician  
Division of Developmental and Behavioral Pediatrics  
Department of Pediatrics, Schneider Children's Hospital  
Long Island Jewish Medical Center

1989-1995 Assistant Professor of Pediatrics  
Albert Einstein College of Medicine

1995-2008 Assistant Professor of Pediatrics  
Johns Hopkins University School of Medicine

2008- present Associate Professor of Pediatrics  
Johns Hopkins University School of Medicine

1995- present Attending Physician, Neurology and Developmental Medicine  
The Kennedy Krieger Institute

1995- present Active Full Time Staff, Department of Pediatrics  
Johns Hopkins Hospital

1995- present Consultant Staff, Department of Pediatrics  
St. Agnes Healthcare

### **RESEARCH ACTIVITIES**

#### **Publications**

*Peer-reviewed original research articles:*

1. **Lipkin** PH, Roe CR, Goodman SI, Batshaw ML. A case of Glutaric Acidemia Type I: Effect of Riboflavin and Carnitine. *Journal of Pediatrics* 1988; 112:62-65.
2. Adesman AR, Altshuler LA, **Lipkin** PH, Walco GA. Otitis Media in Children with Learning Disabilities and in Children with Attention Deficit Disorder with Hyperactivity. *Pediatrics*

1990; 85:442-446.

3. **Lipkin** PH, Altshuler LA. Very early determination of developmental outcome of low birthweight infants using the neurodevelopmental risk examination. *Clinical Pediatrics* 1994; 33:398-403.
4. **Lipkin** PH, Goldstein IJ, Adesman AR. Tics and dyskinesias associated with stimulant treatment in Attention-Deficit Hyperactivity Disorder. *Archives of Pediatric and Adolescent Medicine* 1994; 148:859-861.
5. **Lipkin** PH, Davidson D, Spivack L, Straube R, Rhines J, Chang CT, and the I-NO/PPHN Study Group. Neurodevelopmental and medical outcomes of persistent pulmonary hypertension in term newborns treated with nitric oxide. *Journal of Pediatrics* 2002; 140:306-10.
6. **Lipkin** PH, Cozen MA, Thompson RE, Mostofsky SH. Stimulant Dosage and Age, Race, and Type of Insurance Among a Sample of ADHD Children. *Journal of Child and Adolescent Psychopharmacology* 2005; 15:240-248.
7. Amler RW, Barone S, Belger A, Berlin CM, Cox C, Frank H, Goodman M, Harry J, Hooper SR, Ladda R, LaKind JS, **Lipkin** PH, Lipsitt LP, Lorber MN, Myers G, Mason AM, Needham LL, Sonawane B, Wachs TD, Yager JW. Hershey Medical Center Technical Workshop Report: Optimizing the design and interpretation of epidemiologic studies for assessing neurodevelopmental effects from in utero chemical exposure. *Neurotoxicology* 2006; 27:861-74.

| 1999-2000 | “Methylphenidate for treatment of core symptoms in preschool-aged children with attention-deficit hyperactivity disorder (ADHD)”                                                                                                                               |

Paul H. Lipkin, M.D.

Sponsor: The Thomas Wilson Sanitarium for Children of Baltimore City  
Budget: \$25,000  
P.I.: Paul H. **Lipkin**, M.D. (5% effort)

- 2001-2002 “Monitoring Sleep Patterns and Disturbances in Children with Attention Deficit Hyperactivity Disorder (ADHD)”  
Sponsor: The Thomas Wilson Sanitarium for Children of Baltimore City  
Budget: \$25,000  
P.I.: Paul H. **Lipkin**, M.D. (5% effort)
- 2002-2003 “Methylphenidate in the treatment of hyperactivity and impulsiveness in children and adolescents with pervasive developmental disorders”  
Grant # N01MH80011  
Sponsor: National Institute of Mental Health  
Site budget: Total direct cost: \$443,814; current year direct cost: \$207,049  
Principal investigator: Michael Aman, Ph.D. (Ohio State University)  
Site principal investigator: Elaine Tierney, M.D.  
Role: Co-investigator (10% effort)
- 2003-2006 “Preterm Functional Development and Outcome”  
Grant # 5 R40 MC00312-02-00  
Sponsor: Maternal Child Health Bureau  
Current year total direct cost: \$275,786  
P.I.: Marilee Allen, M.D.  
Role: Neurodevelopmental Pediatrician (5.5% effort, FY 06)
- 2006 “Controlled Substances Prescription Writer”  
Grant # M630-340-2186  
Sponsor: Maryland Patient Safety Center  
Current year total direct cost: \$50,000  
P.I. Marlene Miller, M.D.  
Role: Co-Investigator (5.38% effort, FY 06)
- 2006-2007 “Developmental Surveillance & Screening Policy Implementation Project”  
Grant # U59/CCU521266-4-1  
Sponsor: Centers for Disease Control and Prevention  
Current year total direct cost: \$100,000  
P.I.: American Academy of Pediatrics  
Role: Project Director (5% effort, FY 06)
- 2006-2007 "Evaluating the Feasibility of Structured Developmental Screening and Surveillance in Pediatric Practice"  
Grant # 20070181

Paul H. Lipkin, M.D.

Sponsor: Commonwealth Fund  
Current year total direct cost: \$34,899  
P.I.: American Academy of Pediatrics  
Role: Co-Project Director (In-Kind Effort, FY 06)

## EDUCATIONAL ACTIVITIES

### Educational Publications:

#### *Peer Reviewed Publications:*

1. Johnson CP, Kastner TA, American Academy of Pediatrics Committee/Section on Children with Disabilities (**Lipkin PH**, Chairperson). Clinical Report: Helping Families Raise Children with Special Health Care Needs at Home. *Pediatrics*. 2005; 115:507-11.
2. Council on Children with Disabilities (**Lipkin PH**, Chairperson). Care Coordination in the Medical Home: Integrating Health and Related Systems of Care for Children With Special Health Care Needs. *Pediatrics* 2005; 116: 1238-1244.
3. Council on Children With Disabilities, Section on Developmental Behavioral Pediatrics, Bright Futures Steering Committee, Medical Home Initiatives for Children With Special Needs Project Advisory Committee. (**Lipkin PH**, Chairperson). Identifying Infants and Young Children with Developmental Disorders in the Medical Home: An Algorithm for Developmental Surveillance and Screening. *Pediatrics* 2006; 118: 405-420.
4. Murphy NA, Elias ER for the Council on Children with Disabilities (**Lipkin PH**, Chairperson). Sexuality of Children and Adolescents with Developmental Disabilities. *Pediatrics* 2006; 118: 398-403.
5. Hibbard RA, Desch LW, the Committee on Child Abuse and Neglect, and the Council on Children with Disabilities (**Lipkin PH**, Chairperson). Maltreatment of Children with Disabilities. *Pediatrics* 2007; 119: 1018-1025.
6. Council on Children with Disabilities (**Lipkin PH**, Chairperson). Provision of Educationally Related Services for Children and Adolescents with Chronic Diseases and Disabling Conditions. *Pediatrics* 2007; 119: 1218-1223.
7. Council on Children with Disabilities (**Lipkin PH**, Chairperson). Role of the Medical Home in Family-Centered Early Intervention Services. *Pediatrics* 2007; 120: 1153-1158.
8. Myers SM, Johnson CP, and the Council on Children with Disabilities (**Lipkin PH**, Chairperson). Management of Children With Autism Spectrum Disorders. *Pediatrics* 2007; 120: 1162-1182.

9. Johnson CP, Myers SM, and the Council on Children with Disabilities (**Lipkin PH**, Chairperson). Identification and Evaluation of Children with Autism Spectrum Disorders. *Pediatrics* 2007; 120: 1183-1215.
10. Murphy N, Carbone P, and the Council on Children with Disabilities (**Lipkin PH**, Ex-Officio Chairperson). Promoting the Participation of Children With Disabilities in Sports, Recreation, and Physical Activities. *Pediatrics* 2008; 121: 1057 - 1061.
11. Desch LW, Gaebler-Spira D, and the Council on Children with Disabilities (**Lipkin PH**, Ex-Officio Chairperson). Prescribing Assistive Technology Systems: Focus on Children With Impaired Communication. *Pediatrics* 2008; 121: 1271-1280.

*Invited Review Articles:*

1. **Lipkin PH**. Early identification of developmental problems in the preterm infant. *Children's Hospital Quarterly* 1993; 5:187-192.
2. Allen MC, **Lipkin PH**. Introduction: Developmental Assessment of the Fetus and Young Infant. *Mental Retardation and Developmental Disabilities Research Reviews* 2005; 11: 1-2.
3. **Lipkin PH**. Towards creation of a unified view of the neurodevelopment of the infant. *Mental Retardation and Developmental Disabilities Research Reviews* 2005; 11: 103-106.
4. **Lipkin PH**, Allen MC. Introduction: Developmental Assessment of the Young Child. *Mental Retardation and Developmental Disabilities Research Reviews* 2005; 11: 171-172.

*Editorials:*

1. **Lipkin PH**. Review: An introduction to developmental disabilities: a neurodevelopmental perspective. *Developmental Medicine and Child Neurology* 1995; 37:750-751.
2. **Lipkin PH**. Review: Right from the Start: The way parents are told that their child has a disability. *Developmental Medicine and Child Neurology* 1997; 39:208-209.
3. **Lipkin PH**. Review: Medical Aspects of Developmental Disabilities. *Developmental Medicine and Child Neurology* 1998; 40:719.
4. Kastner TA, Plauche Johnson C, Sandler AD, **Lipkin PH**. Placing Children with Special Needs in Congregate Care vs. Home Care: Family-based Alternatives. *AAP News*. 2005; 26:37.
5. **Lipkin P**. Moving Forward in Developmental Screening. *Pediatric News*. 2006; 40:34.

6. **Lipkin P.** Managing ADHD in Children with Disabilities. *Pediatric News*. 2007; 41:42-43.
7. **Lipkin P.** Autism Screening in the Spotlight. *Pediatric News*. 2008; 42:49.
8. Marks K, Aylward G, Squires J, Shevell M, **Lipkin P**, Glascoe F. The Thorny Nature of Predictive Validity Studies on Screening Tests for Developmental-Behavioral Problems. *Pediatrics* 2008; 122:866-868.

*Case Reports:*

1. Kronwith SD, Hankin DE, **Lipkin PH.** Ocular injury from a rooster attack. *Clinical Pediatrics* 1996; 35:219-220.
2. **Lipkin PH,** Butz A, Cozen MA. Case report: High dose treatment of Attention Deficit Hyperactivity Disorder in a preschooler. *Journal of Child and Adolescent Psychopharmacology* 2003; 13:103-106.

*Books, Textbooks:*

1. Accardo P, Leppert M, **Lipkin P**, Rogers B, editors. Early Intervention: Biomedical and Social Perspectives. Austin: Pro-Ed, Inc; 2005.

**Teaching:**

*Classroom Instruction:*

-10-  
Paul H. Lipkin, M.D.

- 2000- 2008 Nurse Practitioner Program, Lecturer, Johns Hopkins University School of Nursing
- 2002- 2006 Physician and Society II Course, Faculty, Johns Hopkins University School of Medicine

*Clinical Instruction:*

- 1986-1990 Coordinator of Pediatric Training, Division of Developmental and Behavioral Pediatrics, Schneider Children's Hospital, New Hyde Park, NY
- 1986-1994 Behavioral Science Program, Lecturer, Sophie Davis School of Medicine, City University of New York, New York, NY
- 1990-1993 Medical Student Clerkship, Director, Department of Pediatrics, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, NY
- 1993-1994 Task Force for Private Pediatrics Resident Education, Faculty, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, NY
- 1993-1995 Task Force on Pediatric Primary Care, Faculty, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, NY
- 1994-1995 Task Force on the Clinical Curriculum, Faculty, Subcommittee on Developmental Medicine, Albert Einstein College of Medicine, Bronx, NY
- 1995-present Monthly Pediatric Resident Lecture Series, Lecturer, Kennedy Krieger Institute
- 1995-present Residency training Program in Neurodevelopmental Disabilities (formerly Fellowship program in Developmental Pediatrics), Attending Physician and Lecturer, Johns Hopkins University School of Medicine
- 1996-present Pediatric Clerkship and Electives, Site Director, Kennedy Krieger Institute, Johns Hopkins University School of Medicine
- 1996-present Pediatric Clerkship Seminar in Development Screening and Assessment, Director, Johns Hopkins University School of Medicine
- 2001-2002 Introduction to Clinical Medicine, Faculty, Johns Hopkins University School of Medicine

*CME Instruction:*

- 2004            “New Medications for Children with Attention-deficit hyperactivity disorder”,  
Lecturer, Spectrum of Developmental Disabilities Annual Conference, jointly  
sponsored by Kennedy Fellows Association, Kennedy Krieger Institute, and Johns  
Hopkins University School of Medicine Department of Pediatrics, Baltimore,  
MD.
- 2004            “ADHD”, Lecturer at “Pediatrics for the Practitioner Update 2004”, 9/24/04,  
Sponsored by the Division of General Pediatrics and Adolescent Medicine, Johns  
Hopkins Children’s Center, Department of Pediatrics, Johns Hopkins University  
School of Medicine Department of Pediatrics, Baltimore, MD.
- 2004            “An Update on Pediatric Management of ADHD”, Lecturer at “Hot Topics in  
Advance Practice Nursing”, 9/30/04, Sponsored by the Johns Hopkins University  
School of Nursing and the University of Maryland School of Nursing, Baltimore,  
MD.
- 2006            “Roundtable Discussion: Current and emerging therapeutic strategies for ADHD  
in pediatric and adolescent populations”. Panelist. Sponsored by the Johns  
Hopkins University School of Medicine, Baltimore, MD.
- 2006            “Diagnosis and treatment of ADHD in children and adolescents: pocket guide and  
wall chart”. Author and Faculty. Sponsored by the Johns Hopkins University  
School of Medicine, Baltimore, MD.
- 2007            “Early Recognition of Developmental Disorders”, September 27, 2007, Lecturer  
at “Pediatrics for the Practitioner Update 2007”, Sponsored by the Division of  
General Pediatrics and Adolescent Medicine, Johns Hopkins Children’s Center,  
Department of Pediatrics, Johns Hopkins University School of Medicine  
Department of Pediatrics, Baltimore, MD.
- 2007            “ADHD- What’s New”, October 21, 2007, Lecturer at “Twentieth Annual  
Infectious Diseases in Children Symposium”, Sponsored by Vindico Medical  
Education, New York, NY.
- 2008            “ADHD”, September 25, 2008, Lecturer at “Pediatrics for the Practitioner Update  
2008”, Sponsored by the Division of General Pediatrics and Adolescent Medicine,  
Johns Hopkins Children’s Center, Department of Pediatrics, Johns Hopkins  
University School of Medicine Department of Pediatrics, Baltimore, MD.

*Workshops/seminars:*

- 2003 “Care delivery to underserved children with neurodevelopmental and behavioral disorders.” Faculty. Pediatric Academic Societies Annual Meeting, May 6, 2003.
- 2006 “Developmental Surveillance and Screening Policy Implementation Project Training Workshop.” Faculty. Sponsored by the American Academy of Pediatrics, June 16, 2006, Elk Grove Village, IL.
- 2006 “DB:PREP An Intensive Review of Developmental and Behavioral Pediatrics”. Faculty. July 20- 23, 2006, Newport Beach, CA.
- 2006 “Developmental Surveillance and Screening: Walking and Talking Through the Algorithm”. Faculty. American Academy of Pediatrics National Conference & Exhibition, October 8 and October 9, 2006, Atlanta, GA.
- 2006 “Everything you need to know about Early Intervention but were afraid to ask - How pediatricians can interface effectively with the Early Intervention System”. Faculty. American Academy of Pediatrics National Conference & Exhibition, October 8, 2006, Atlanta, GA.
- 2007 “Why Standardize Screening?”, Faculty. ABCD Screening Academy Learning Session, National Academy for State Health Policy, July 11, 2007, Houston, TX.
- 2007 “Developmental Surveillance and Screening Policy Implementation Project Follow-up Workshop.” Faculty. Sponsored by the American Academy of Pediatrics, September, 6-7, 2007, Chicago, IL.
- 2007 “Developmental Screening and Evaluation: New processes, new measures, new projects”. Faculty. 2007 Child Neurology Society Annual Meeting, October 11, 2007, Quebec City, Canada.
- 2007 “Examining the AAP Algorithm”. Faculty at “Piloting the AAP Algorithm: Lessons Learned”, ABCD Screening Academy, National Academy for State Health Policy, October 18, 2007, Web Conference.
- 2007 “Taking AAP Policy to the Next Level: Developmental Surveillance and Screening Policy Implementation Project (D-PIP)”. Faculty. American Academy of Pediatrics National Conference & Exhibition, October 29, 2007, San Francisco, CA.
- 2008 “Using the New Bright Futures to Teach Residents and Students about Preventive Services and QI for ACGME”. Faculty. Pediatric Academic Societies Annual Meeting, May 3, 2008, Honolulu, Hawaii.

- 2008 “Successful Implementation of Developmental and Behavioral Surveillance and Screening (DSS) in the Primary Care Office”. Faculty. American Academy of Pediatrics National Conference & Exhibition, October 11, 2008, Boston, MA.

**Mentoring (pre- and post-doctoral):**

**Advisees:**

- 1997 Lee Wachtel, M.D., Child and Adolescent Psychiatrist, Kennedy Krieger Institute, Johns Hopkins University School of Medicine
- 2000-2001 David Nussbaum, M.D. Candidate, Introduction to Clinical Medicine Course
- 2001-2002 George Ho, M.D. Candidate, Introduction to Clinical Medicine Course
- 2004-2005 Dan Merenstein, M.D. Research Fellow, The Robert Wood Johnson Clinical Scholar Program
- 2004-present Julia Anixt, M.D. Research Fellow, The Robert Wood Johnson Clinical Scholar Program, and Clinical Fellow, General Pediatrics and Adolescent Medicine
- 2005- 2006 Pediatric Interest Group, Johns Hopkins University School of Medicine
- Mentees: Michael Rinke (Class of 2006)  
Shannon O’Shea (Class of 2007)  
Rozalina Grubina (Class of 2008)  
Melissa Morgan (Class of 2008)
- 2006- 2007 Neal DeJong, M.D. Candidate, Student research program

**Educational Program Building/ Leadership**

- 2008 “Horizontal Strands” in the “Genes to Society Curriculum”. The Johns Hopkins University School of Medicine. Leader, “Human Development (Pediatrics)”.

**Educational Extramural Funding**

Current:

- 1995-present “Leadership Experience in Neurodevelopmental Disabilities”  
Grant #5T73MC00019  
Sponsor: Maternal Child Health Bureau  
Current year total direct cost: \$900,000  
P.I.: Gary Goldstein, M.D.  
Role: Developmental Pediatrician (31% effort, FY 07)

## **CLINICAL ACTIVITIES**

### **Certification**

#### *Licensure:*

Maryland, #D47368, active status

New York, #165856, inactive status

#### *Board Certification*

National Board of Medical Examiners, 1982

American Board of Pediatrics, 1986, # 33631

American Board of Pediatrics and American Board of Psychiatry and Neurology,  
Neurodevelopmental Disabilities, 2001, # 81

### **Service Responsibilities**

1986-1995     Attending Physician, Developmental Pediatrician, Schneider Children's Hospital,  
Long Island Jewish Medical Center

Current        Attending Physician, Neurology and Developmental Medicine, Kennedy Krieger  
Institute  
Inpatient Attending Physician: 2 months/year  
Outpatient services:  
    ·Center for Development and Learning: 3 half-days per week  
    ·International Adoption Clinic: Back-up consultant attending physician  
    ·Outpatient supervisory attending physician, pediatric nurse practitioners,  
    Center for Development and Learning

## **ORGANIZATIONAL ACTIVITIES**

### **Institutional Administrative Appointments**

Current:

1999-present   Member, Protocol Review Subcommittee, Kennedy Krieger Neurobehavioral  
Research Unit, General Clinical Research Center, Johns Hopkins University  
School of Medicine

1999-present   Director, Center for Development and Learning, Kennedy Krieger Institute,  
Division of Neurology and Developmental Medicine, Kennedy Krieger Institute

2004-present   Faculty Member, Research Center for Genetic Disorders of Cognition and  
Behavior, Kennedy Krieger Institute

2004 – 2008   Faculty Member, Credentials Committee, Kennedy Krieger Institute
